"Dog Show II"

### Spectrum Glass Color Suggestions

- |            |            |
|------------|------------|
| A. 317-02s | Pale Amber |
| B. 201-61S | Ivory      |

Note: eyes and nose add-ons can be found at craft stores, painted on or created from glass (cold or fused) and/or solder globs.
